

1 GAVERT ATELIER'S NAGOMI HAIR SPA RITUAL

The Scalp Treatment That Will Rock Your World

In a discreet upstairs spa room, guests lie in shiatsu massage chairs, while an expert performs a deep scalp, neck and shoulder massage. A deep conditioning treatment is worked into every strand of hair, guaranteeing to stimulate hair growth and rid hair of those pesky unhealthy split ends.

IN FIVE WORDS...

Heaven is Nagomi Scalp Treatment.

DID YOU KNOW ...

Nagomi's are a popular treatment for men and women in Japan to prevent hair loss and relieve headaches by increasing cell metabolism and stimulating blood circulation.

DON'T MISS...

A blowout with their hair stylists after it's all over to leave hair looking as fabulous as it feels.

2 ECO BROW THREADING

Eyebrow Artist to the Stars

Marco Ochoa fell in love with eyebrows at age 15 and has been threading ever since. His process is quick and painless and results in a precise natural brow arch that can't help but flatter eyes.

IN FIVE WORDS...

You will never wax again.

DID YOU KNOW ...

Threading is an ancient art of hair removal using two cotton threads to pull out stray hairs at the root which originated in the Middle East and Asia.

DON'T MISS...

Marco is located in the high-end eco-friendly boutique, Evolve, where you can pick up socially conscious top-of-the-line cosmetics.

4. STUDIO MDR
Where Weakness Goes to Die

The SPX workout is a total body workout on a megaformer, which resembles a Pilates reformer. But it's not until you find yourself cursing louder than a cadet going through bootcamp in the middle of class, that you realize the megaformer is the most intense work-out ever created.

IN FIVE WORDS...

How am I sore there?

DID YOU KNOW...

You can burn 500 to 600 calories in one 50 minute class.

DON'T MISS...

Kylates. Ky Evans is notorious for his touch but fun workouts among the SPX set and he truly lives up to all the hype.
