Bliss Me, You Fool

Green Bliss Eco Spa

Your home is your castle.

Your pretty messy, very noisy, vaguely chaotic, rent stabilized castle.

Just wait till Green Bliss Eco Spa shows up. They'll turn your nuthouse into a Zen den in no time.

Whether you're booking for one or 100, the mobile beauty service will show up armed with massage tables, fluffy towels, and Elixir tonics, and set the scene with scented candles, bamboo bowls, and iPod speakers pumping out relaxing spa tunes. Just say the word and they'll add on plush robes, cozy slippers, all-natural foods, and biodynamic wines.

And you can really relax during your facial, body treatment (hello, green tea and white clay youth-booster body mask), massage, or mani/pedi knowing everything they use is organic — either tried-and-tested products from Naturopathica, Ytsara, or Zoya, or custom-blended concoctions made exclusively for them.

Pretty nice way to take care of your temple, huh?
