

## **GREEN BLISS ECO SPA**

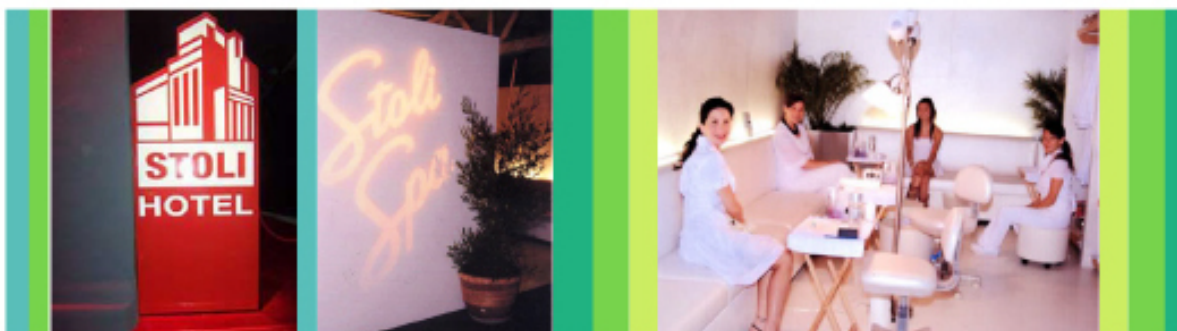

### ***Mobile Spa & Lifestyle Services for Your Next Event***

A recognized leader in the green space, Green Bliss Eco Spa provides memorable spa and green lifestyle services for a range of clients and events from product launches to experiential brand efforts and beyond.

Serving Los Angeles and New York, Green Bliss Eco-Spa is notable for many reasons, but below are just a few of the things which make us stand out in a crowd:

- \* Scalable to ANY event footprint in ANY location
- \* Full service spa and lifestyle menu
- \* Green, woman-owned business utilizing organic and non-toxic materials
- \* Personable and professional service staff also act as Brand Ambassadors
- \* Completely self-sufficient activation with no need for water source, etc.
- \* Experience with major brands, product launches and experiential efforts
- \* Experience with providing spa services to all ages and genders
- \* Wrap up photos and reports provided post-event to clients
- \* One stop-shop also provides event managers, staffing, organic catering, videographers, photographers, sustainable décor, gift bags, etc.
- \* We donate 1% of our gross receipts to environmental organizations

**Ready to connect? We'd love to help you make your event a memorable success!**
